**NEWSLETTER  
AUGUST 2004**

**LESSON SIGN-UP**

The fall lesson schedule will begin on Tuesday, September 7, 2004. Please sign up below for three possible lesson times that would fit your schedule and return to me no later than August 20, 2004. Sign-up forms received by that date will be given scheduling preference. Students whose forms are received after that date will be given a choice of the times that are left.

**STUDIO POLICIES**

I have included a copy of the studio policies for 2004-2005. Please read the policies and studio guidelines carefully and **sign and return the studio policy agreement with your fall lesson sign-up form.** **This signed agreement is your official enrollment for lessons and I can not schedule you for lessons until this signed agreement is received.**

**2004-2005 INFORMATION**

During the week of August 23rd, you will receive a packet of information that includes your fall lesson time, tuition coupon book and a calendar for the 2004-2005 year. I am planning many fun events for students, including a group trip to a Columbus Symphony concert. Please be sure to read monthly newsletters for details of upcoming events.

**HIGH STREET IMPROVEMENTS**

Sometime in September, the city will begin work on street and sidewalk improvements between Arcadia and Torrence. I do not know what the schedule is yet, but will keep you updated when the work will affect parking and studio accessibility.
